Commissioner for Patents  
P.O. Box 1450  
Alexandria, VA 22313-1450

Sir:

**INFORMATION DISCLOSURE STATEMENT UNDER 37 C.F.R. § 1.97(b)**

Pursuant to 37 C.F.R. §§ 1.56 and 1.97(b), applicants bring to the attention of the Examiner the documents listed on the attached Form PTO 1449. This Information Disclosure Statement is being filed within three months of the filing date of the above-referenced application.

Copies of the listed documents were previously submitted or were cited by the Examiner in:

U.S. Application Serial No. 09/927,180, filed August 9, 2001;  
U.S. Application Serial No. 09/519,223, filed March 6, 2000, now U.S.  
Patent No. 6,274,140 B1;  
U.S. Application Serial No. 09/149,988, filed September 9, 1998;  
U.S. Application Serial No. 08/555,568, filed November 8, 1995, now U.S.  
Patent No. 5,976,854;  
U.S. Application Serial No. 08/281,193, filed July 27, 1994, now U.S.  
Patent No. 5,466,595;

FINNEGAN  
HENDERSON  
FARABOW  
GARRETT &  
DUNNER LLP

1300 I Street, NW

Fax 202.408.4400  
www.finnegan.com

U.S. Application Serial No. 08/422,106, filed April 14, 1995, now U.S. Patent No. 5,589,170; and  
U.S. Application Serial No. 08/422,420, filed April 14, 1995, now U.S. Patent No. 5,554,511;

all of which applicant relies upon for the benefits provided in 35 U.S.C. § 120.

Applicants respectfully request that the Examiner consider the listed documents and indicate that they were considered by making appropriate notations on the attached form.

This submission does not represent that a search has been made or that no better art exists and does not constitute an admission that each or all of the listed documents are material or constitute "prior art." If the Examiner applies any of the documents as prior art against any claim in the application and applicants determine that the cited documents do not constitute "prior art" under United States law, applicants reserve the right to present to the Office the relevant facts and law regarding the appropriate status of such documents.

Applicants further reserve the right to take appropriate action to establish the patentability of the claimed invention over the listed documents, should one or more of the documents be applied against the claims of the present application.

If there is any fee due in connection with the filing of this Statement, please charge the fee to our Deposit Account No. 06-0916.

Respectfully submitted,

FINNEGAN, HENDERSON, FARABOW,  
GARRETT & DUNNER, L.L.P.
